Project and Process Overview

What are we producing?

City of High Point Comprehensive Plan

- Long-range plan for the City of High Point
- Establishes the community's vision
- Sets general direction but does not determine it
- Neither confers nor grants vested land use rights, but serves as the foundation for zoning and development regulations
- Helps guide investments by the City

The screenshot shows the homepage of the High Point 2045 Comprehensive Plan website. At the top left is the logo and a text block: "The High Point 2045 Comprehensive Plan is our opportunity to envision the next generation of development and investment across our city." Below this is a green button that says "Sign up for eNews". A navigation bar contains four tabs: "PROCESS", "TIMELINE", "GET INVOLVED", and "PROJECT TEAM". The "GET INVOLVED" tab is selected. The main content area features a large heading: "Welcome to High Point 2045, a community-wide planning effort to create a stronger, more sustainable, and vibrant City." Below this is a paragraph: "Since the adoption of the City's first comprehensive plan in 1928 it has continued to produce comprehensive planning documents on a regular basis with plans being adopted in 1947, 1958, and every decade after that up to the City's current land use plan, which was adopted in April 2000. It's time to renew the community's vision and craft a plan to achieve that vision." At the bottom, a section titled "What is a Comprehensive Plan?" contains four columns, each with an icon and a short paragraph explaining a component of the plan.

This screenshot shows the "HOW CAN I GET INVOLVED?" section of the website. It features a heading "Get updates delivered to your inbox to stay informed about ways you can get involved." followed by a paragraph: "In the coming weeks, open houses and online surveys will be announced. Sign up for eNews and get updates delivered to your inbox. We'll send you news and updates on ways you can add your voice to the conversation and help shape High Point's 2045 Comprehensive Plan." Below this is a green "Sign up for eNews" button. To the right is a small image of a person at a computer with a "Welcome to High Point" sign. Below the main text is a section titled "HIGH POINT'S PLANNING PROCESS" with the sub-heading "Shaping Our Future". It features three icons representing different stages of the process. Below these are three columns, each with a phase name and a description of the activities for that phase.
